To Whom It May Concern

29th March 2016

We have used the services of JH Cleaning Services for a number of years for the gutter cleaning and window cleaning at a number of our dealerships including our flagship and head office dealership.

We have been very impressed with the efficiency and quality of service they have provided.

Jamie has always been very helpful in scheduling in the work to fit in with the requirements of our business. The team carrying out the work have always been polite and willing to respond to any extra work we have requested of them.

We also have had J H Cleaning Services carry out the cleaning of the exterior cladding at a number of our sites which we were very pleased with.

I can highly recommend J H Cleaning Services.
