CMH Services Limited provides the Housekeeping to Dolphin Square, which is a large residential complex of 1300 long let flats and 164 serviced apartments. We have been contracting out our window cleaning service to JH Cleaning Services of Romford for the last 2 years.

Jamie and the team have always provided an outstanding service and due to the nature of our building have always provided a flexible service to the needs of our business.

We have recently increased JH Cleaning Services contract to include other parts of the building.

Yours faithfully
