**Re: Reference for JH Cleaning Services.**

I can confirm that JH Cleaning Services have been contracted by Vision since January 2013.

Jamie and his team have provided us with a reliable and excellent service including the following:

Exterior abseil window cleaning

Gardening

Communal Cleaning

We have no hesitation in recommending JH Cleaning Services. Jamie offers a high level of communication when planning dates so we can update our clients and is very punctual .

Yours faithfully,

**Vision Property & Estate Management**
